- SnapRaise fundraiser runs 9/16 - 10/7. Last year \$10,100 was raised.
- Nick would like to allocate \$800 for team posters and senior posters to be hung by tennis courts. Sept 15th would be the deadline for individual posters.
- Big tournament for Varsity in the spring, Kemah. Coach expects them to be invited back. The District pays for the entry fee and funds that were carried over from Covid year will be applied too. In the past it was around \$3,500.
- Discussed putting metal bleacher covers along the Anderson Mill side of tennis courts. Coach Ballenger will find info for the company that did existing ones; he thought they were around \$7,000 and took 5 years to raise enough funds. Mesh / fabric material wasn't recommended based on other campuses.
- Meals for athletes? Booster club will buy dinner for games when the kids come back late. Should be around 3 games that are far away and getting back late. Will look at the schedule for Varsity & JV.
- Kim has Venmo set up for payments now. Approx 20 parents have paid Booster Club Fee for their athlete. Would like to email confirmations to parents.
- Van is looking to buy / donate 2 tents to set up temporarily over the Anderson Mill Rd bleachers for parents. Nick has 2 already that can be set up until while we work on a more permanent solution.
  - Look into getting custom printed tents
- Van will print out static clings for Amazon Smile reminder for parents computers
